Technical drawing of a mechanical part, likely a cross-section of a component. The drawing shows a profile with a vertical left edge, a horizontal bottom edge, and a slanted right edge. Key dimensions are labeled:

- Top horizontal edge: 29
- Left vertical edge: 206
- Top slanted edge (left): 216
- Top slanted edge (right): 303
- Right vertical edge: 107
- Bottom horizontal edge (left): 307
- Bottom horizontal edge (right): 252
- Bottom horizontal edge (total): 559
- Internal vertical edge: 14

Technical drawing of a rectangular plate. The overall dimensions are 550 mm in width and 501 mm in height. The plate is divided into three vertical sections by two lines. The leftmost section has a width of 28 mm. The middle section has a width of 215 mm. The rightmost section has a width of 302 mm. A section line A-A is indicated by a horizontal line with arrows at both ends, passing through the center of the plate. The section line is labeled 'A' at the left end and 'A' at the right end.
